Here are some key refurbishment elements we need donations for:

**£15**

could go towards the finishing touches to make Tŷ Hafan a home from home for the children and families that need us

**£30**

could go towards an acrylic notice board that provides vital information to keep our families engaged and aware of the activities we provide

**£100**

could pay for a voice-controlled speaker for the high-tech zone, that will allow our young adults to play music and videos, giving control and independence to those who can communicate verbally but may have physical difficulties

**£250**

could pay for a controlled drugs cupboard for the bedrooms, providing independence for our teenagers

**£500**

could pay for height-adjustable table space to enable children in wheelchairs and buggies appropriate level access
