

help us over the finishing line as we make our hospice fit for the future

tŷ hafan

the hospice for children in Wales
yr hosbis i blant yng Nghymru

Here are some key refurbishment elements we need donations for:

£700

could go towards the purchase of a supportive upright chair meaning teenagers with balance problems will feel safer and more supported when they are in the 'den'.

£1,000

could go towards acoustic panels meaning surround sound from movies or games stays in the 'den' and doesn't disturb younger children and other families at Tŷ Hafan.

£3,500

could contribute to a specialist soundproofed door, enabling our children and families to experience a good night's sleep during their stay.

£5,000

could go towards the kitchenette in our 'den' - a place where teenagers can build their confidence knowing help and support is nearby

let's give the children of wales a hospice fit for the future

tŷ hafan

the hospice for children in Wales
yr hosbis i blant yng Nghymru

Last year, we embarked on an ambitious but essential refurbishment project to make our hospice fit for the future. Your support has already helped us raise over 80% of our fundraising target and we have been able to refurbish a large part of the hospice already, including the bedrooms, family living room and new therapy room.

But there's still more to do and that's why we urgently need your help today

We're at a critical stage in making the hospice comfortable for the many children and families that need us right now.

We've raised most of the money we need but are **short by £170,000** and desperately need your support to get us over the finishing line and make those last few essential additions that will make Tŷ Hafan truly a hospice fit for the future.

This refurbishment is not just a 'nice to have'; it is vital to our service delivery and we want our families to feel at home at Tŷ Hafan so they can make the most of the time they have together, knowing that their children are being well cared for by our wonderful Care team.

Be our hero from your armchair or in fresh air by setting up a birthday fundraiser on Facebook, hosting a gaming night or taking part in a running challenge.

We wouldn't have come this far without you, so please help however you can in this final push. Thank you from the bottom of our hearts.

Help us make Tŷ Hafan fit for the future.

To support this campaign, please visit www.tyhafan.org/fitforfuture or call us on **029 2053 2199**.
