The Magic of Christmas at Tŷ Hafan

December 2024

Christmas is a very special time for us all at Tŷ Hafan. We understand that for many of the children we support, the sad reality is that this may be their last Christmas. Our care team work tirelessly to ensure that children and their families have a fantastic experience and are left with treasured memories.

Last year, we had visits from Cardiff City FC, the Cardiff Blues and we saw incredible generosity from the Welsh public who donated money and specially selected gifts for the children. Many families that we support are also faced with real financial hardship given the rising cost of living and care costs for their child.

In December, we have a dedicated Christmas marquee erected in the wonderful grounds that is used for a multitude of activities and events. Some of those activities include:

- **The infamous Tŷ Hafan Christmas panto** – held every Monday and Friday from the start of December up to and including Friday 22nd December. The panto is supported each year by many of the fantastic businesses and individuals who work with Tŷ Hafan.
- **A Christmas party for siblings.**
This includes bereaved children as well as those who are still making memories with their much loved brothers and sisters. They are given gifts and have a special visit from Father Christmas!
- **Christmas markets and crafting sessions** hosted by our ‘Handcrafted’ team.
- **The Festival of Lights!**
The beautiful grounds of Tŷ Hafan are illuminated throughout December and we hold dedicated events for families and supporters in the run up to Christmas where they can explore the grounds and take part in festive activities.
- **A couples meal out** – mums and dads are invited for a special evening where they can escape their day to day caring duties and be waited on by our wonderful catering team from the hospice.
- **Shopping trip to the Bath Christmas Market.** Parents are invited to join us for a special Christmas trip to Bath where we organise travel and give people a chance to come together.
- **Christmas Remembrance Service.**
Every year, we host an event to remember the children who have sadly passed away, inviting families to come together for support and to share memories.
- **Spoiler alert** – visits from Father Christmas. Of course, the REAL Father Christmas is busy in December so sends us his stand-ins to come along and visit the children in the hospice.

In order to make sure we can continue to make Christmas bigger and better than ever before, we would like to seek a sponsor for 2024.
